7. Association will not be held responsible for property loss, damage, or vandalism regardless of fault. Renter is hereby advised that Association has neither insurance nor independent financial means to cover Renter's loss of property. Renter acknowledges that the reasonable rental rates charged by Association would be much higher if Association were to assume responsibility for insuring and guaranteeing Renter's property. **Renter shall assume responsibility for insuring the property against loss or damage.** Renter agrees to hold Association harmless for loss or damage to Renter's property, including Association's reasonable attorney's fees, regardless of fault or negligence on the part of the Association.
