Wow! I can't believe it's already almost time for the 102nd Annual Winnebago County Fair. There is just something so All-American about a County Fair, and being able to be a part of it gives me so much joy. I have been affiliated with the fair board since 1986, and what an honor it has been. Many of my favorite memories are at the fair. During the week, if you see me out- come over and say hello. I'd love to meet you! You'll most likely find me watching one of the grandstand shows, enjoying a piece of pizza from Pizza on Earth, or even showing a pig during the adult showmanship class.

As most of you know, the Winnebago County Fair Association is completely non-profit and depends solely on donations, sponsorships, entry fees and facility rentals. Even with the financial support we receive, the fair simply wouldn't exist without all the volunteers and their countless hours of hard work. This includes the fair board, superintendents, parents, and children who unselfishly donate their time to make this fair successful. I am extremely proud of the people who are invested in our fair.

One thing I would like to highlight for the 102nd annual county fair is the 4H fur and feather auction that will take place on August 19th. This is a time when the youth exhibit or sell their animals that they raised all year. Please make sure to go out and support them. Following the auction, there are items sold where 100% of the proceeds go back to the Winnebago County Fair Associations. This is a tradition that was started by the Bolen Family, in honor of the Joshua Langholf Memorial Fund. It's often a tear jerker, but none the less a very successful event at our fair that we could not be more thankful for.

Our small town fair has an atmosphere that is unmatched, with lots of exciting entertainment. Please be sure to checkout our new rodeo this year (Big Hat Rodeo), partake in our wood carving auction, grab some ice cream from the Boy Scouts, or even admire the craftsmanship by our non-livestock exhibitors in building 5. These are just a few of the many things to do at our fair.

Please also be sure to support the many businesses that support this fair, and to express gratitude to the individuals who volunteer or donate to the Winnebago County Fair. Without each and everyone of the these people, a tradition which I so proudly believe in wouldn't be possible. Another special thank you to the entire Board of Directors, Executive Officers, and Office Staff for their tireless effort, and continued support for the Winnebago County Fair Association.

**2023
Fair Person of the Year**

Ken Carlson

The Winnebago County Fair Association Board of Directors is pleased to honor Ken Carlson as the 2023 Fair Person of the Year. Ken grew up in Winnebago, where he and his wife Joyce raised their 2 sons, Jeff and Michael, before moving to Pecatonica. Ken has been involved with the fairgrounds for over 20 years, serving as a Director for 12 years and now as an Honorary Director since 2015. His friend, Bob Remmers, asked him to help with building the milk house along with David Whitney in 2001. The next year, Ken joined the Board of Directors and continued to be an instrumental person around the grounds. His passion to help make the fair and all the events a success is evident in nearly any direction you look. Ken has used his carpentry skills from his former business, C & C Construction, to repair or build several buildings and projects: the Lion's Club Building, the electrical buildings, the gable ends and general repair of several barns, and the office counter just to name a few. He served on the Pec Thing and Winter Storage committees, as well as Grounds, which he said "pretty much was involved in everything".. While Ken is happy to see his grandchildren and great-grandchildren enjoy the rides and the fair, one of his fondest memories is when his good friend Harold Burkhart was honored as Fair Person of the Year in 2009. Ken has always enjoyed the tractor pulls and Harold was the key organizer for several years. Ken is always looking to recruit people who are willing to work to improve the fairgrounds as he said it truly is a year-round commitment. He can still be frequently seen at the fairgrounds. We want to extend our sincere thank you to Ken for his dedication to the Winnebago County Fair Association.

ATTENTION ALL OPEN AND JUNIOR SHEEP SHOW EXHIBITORS

The Winnebago County Fair Open Class Sheep Show offers the **MARKET LAMB** lot for purebred and commercial sheep breeders as a means of exhibiting an excellent edible meat product, bred, raised and fed by them as sheep producers in a natural process. All sheep entered in the shows must be housed in assigned sheep pens for the duration of the fair. Sheep may be exercised inside of the sheep barn between 6:00 A.M. and 8:00 P.M. at the discretion of the Superintendent. We intend to discourage exhibitors who feed and prepare market lambs in unnatural or by artificial means. The Winnebago County Fair Association (WCFA) will strictly enforce the following rules. **NO ICING, TOWELING, OR PAINTING OF MARKET LAMBS IS ALLOWED. MARKET LAMBS SHOWING SIGNS OF STRESS DUE TO UNUSUAL HANDLING METHODS OR SYMPTOMS OF HEALTH DISTRESS FROM POSSIBLE USE OF DRUGS, OR STEROIDS WILL NOT BE ALLOWED TO SHOW AT THIS FAIR.** The WCFA reserves the right to order blood tests by a veterinarian of any and all animals brought onto the Winnebago County Fairgrounds. The veterinarian shall be chosen by the WCFA. Market lambs whose physical structure has been altered in any way (removal of ribs, etc.) will not be allowed to show at this fair. This does not include various castration procedures. **THE WCFA RESERVES THE RIGHT TO AT ANY TIME, INSPECT AND REJECT ANY AND ALL ANIMALS.** Market lambs not meeting our standards of meat excellence will not be allowed to be exhibited at this year's fair.

**THESE RULES WILL BE
STRICTLY ENFORCED
